

PACK LIST WINTER CAMP 2019

Scouts & Guides

Dear Parents,

please be aware that the following list is only to use for the scouts & guides! Moreover, please check the weather forecast before packing and make sure that your child packs in **to the weather adjusted clothes**, as we are staying outside quite a lot of time during the camp.

Please note that mobile phone/ smart phones / tablet computers / game boys / etc. are not allowed on camp.

All things have to be packed into a **rucksack** or a bag easy to carry for your child. We recommend **packing** all the things into the rucksack/bag **together with your child**, so that he/she can easily find everything on camp. Moreover, it is advisable to mark all your child's belongings with a special symbol or your child's initial letters.
