For indoor meetings following rules have to be strictly followed:

Entering the school premises:

- Every child has to wear a mask (**own mask**)
- Every child has to use hand sanitizer (**VISG88 will provide the hand sanitizer**)
- The library (books, tables etc.) has to be disinfected before and after the meetings (**VISG 88 will provide the disinfectants**)
- VISG88 has to follow the so-called “Ampelsystem” (traffic light system) at school.

Orange: Means that we are not allowed entering the school premises. In that case, we try to inform you about the next steps (cancellation of the meetings or alternatives)

Although Corona makes planning the upcoming winter semester challenging, we would like to run a winter camp in December. When and how depends on the development of the situation, but you will be informed as soon as possible.

We kindly ask you to send us a short e-mail visg88@gmail.com to confirm your child's attendance.

The team leaders are looking forward to meet the children at the first meeting.

Yours in scouting spirit
